Re: Renewed Petition under 37 CFR 1.182

Dear Mr. Shanowski,

Thank you for the Decision on Petition dated April 16, 2004, informing us that the petition for a later filing date was dismissed because the drawings had been transmitted via transmission.

The undersigned respectfully submits to the Office that, following the fax transmission, the omitted drawings (Figures 1A-1D) were sent via courier to the Office. The return postcard from the USPTO confirms that the hard copy of the drawings was received by the Office on Feb. 17, 2004. Attached herewith is a copy of the return postcard from the Office as evidence indicating that all the required documents, including a copy of the Notice, the omitted items (Figures 1A-1D), and a supplemental oath or declaration, were sent in response to the Notice of Omitted Items In a Nonprovisional Application, within two months of the Notice, dated December 17, 2003.

Following this fax, a hard copy of the drawings will again be sent to the Office via courier.

Thank you for your attention and assistance in this matter. If there is any question, please feel free to contact me either through fax or email at belinda@jcipgroup.com.tw or usa@jcipgroup.com.tw.

Respectfully Submitted,
